SUSTAINABLE STANDS THAT DON'T COST THE EARTH

Environmental & Sustainability Policy 2026

EPS Exhibitions recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy and operating methods.

We will encourage customers, suppliers and other stakeholders to do the same.

Responsibility

Ian Rowberry, Director, is responsible for ensuring that this environmental policy is implemented. However, all employees have a responsibility within their area to ensure that the aims and objectives of this policy are met.

Policy Aims

We endeavour to:

- Comply with all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.

Procedures

We will:

- Minimise the use of single-use items as much as possible.
- Reduce packaging as much as possible or seek recycled/recyclable products where required.
- Seek to buy recycled or recyclable products and materials wherever possible.
- Consider the energy efficiency and recyclability of any new products that are required.
- Reuse and recycle items wherever possible.

Energy and Water

We will seek to:

- Reduce the amount of energy used as much as possible.
- Switch off lights and electrical equipment when not in use.
- Adjust heating with energy consumption in mind.
- Take energy consumption and efficiency of all new products into account when purchasing them.

Office Supplies

We will:

- Minimise the use of paper in the office.
- Favour more environmentally friendly and efficient products wherever possible.
- Reuse and recycle everything we are able to.

Transportation

We will:

- Reduce the need to travel, restricting travel to necessary trips to venues only.
- Promote the use of alternatives to travel for meetings, such as email or Teams meetings.
- Consider the efficiency of our vehicles and identify ways in which we can improve our emissions.

Maintenance and Cleaning

We will:

- Use cleaning materials that are as environmentally friendly as possible.
- Use materials in any office refurbishment that are as environmentally friendly as possible.
- Only use licensed and appropriate organisations to dispose of waste.

Monitoring and Improvements

We will:

- Comply with all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness through training.
- Review this policy and any related business issues at monthly management meetings.

Culture

We will:

- Update this policy at least once annually, in consultation with staff where necessary.
- Involve staff in the implementation of this policy to encourage greater commitment and improved performance.
- Provide staff with relevant environmental training.
- Work with suppliers, contractors and subcontractors to improve their environmental performance.
- Use local labour and materials where available to reduce CO₂ emissions and support the local community.

Communication of this Policy

This Environmental & Sustainability Policy is issued and made available to all EPS Exhibitions staff to ensure that our environmental commitments are understood and followed throughout the business.

The policy is also made available to clients, customers, suppliers, contractors and subcontractors on request. The current policy is published and publicly accessible on the EPS Exhibitions website

at www.eps-exhibitions.co.uk.

Staff are encouraged to contribute to the implementation and continual improvement of this policy, and relevant updates are communicated internally as appropriate.
